

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: The construction of a 251 foot by 312 foot overflow retention pond.

Proponent Columbia River Steel & Construction
for Wyckoff Farms
813 Wallace Way
Grandview WA 98930

File No. **EA 12-01**

Location of proposal, including street address, if any: The project is located at the intersection of Williams and WI Lemley Roads in the Southwest Quarter of the Northeast Quarter of Section 20, Township 9 North, Range 24, North, W.M.

Lead agency **BENTON COUNTY**

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

There is no comment period for this DNS.
