

## **REQUEST FOR QUALIFICATIONS**

Benton County is soliciting statements of qualifications and performance information from firms interested in providing professional architectural services to conduct a feasibility study on the two existing Exhibit Halls located at the Benton County Fairgrounds.

The study would determine a condition evaluation and a total project cost estimate for the restoration of the two existing Exhibit Halls.

Criteria for selection of firm include performing evaluations of existing buildings, scope of construction work required/anticipated, schematic design cost estimates and total project cost estimate.

It is expected that the selected firm will also be the firm that will act as the primary architect for rest of the project.

Preferred format for submittal: electronic - PDF via/email; written submittals delivered to the address below will also be accepted.

Further details may be obtained from:

Fred Bowen  
Benton County Commissioners
