

REQUEST FOR QUALIFICATIONS

The Board of Benton County Commissioners is soliciting request for qualifications from architectural and engineering firms to negotiate an “as needed” contract with Benton County to complete architectural and engineering services for any needs analysis, preliminary design, drawing development and construction oversight for public facilities construction projects with costs estimated at \$25,000 or less.

Preferred format for submittal: electronic - PDF via/email; written submittals delivered to the address below will also be accepted.

Criteria for selection of firm include experience with needs analysis, preliminary design, drawing development and construction oversight for public agencies, professional references, and oral presentation if selected for an interview.

Further details may be obtained from:
